WHO WE ARE

AAY Engineering Limited was incorporated in June 2018 by the Nigerian Corporate Affairs as a service provider in the area of Electrical, Power and Telecommunications Engineering including installation, repair and servicing of electrical and power equipment. We are an innovative company with very skilled and experienced employees.

To deliver flawless solutions we use only authentic materials and we are painstaking in our work ensuring our teams work with the best tools available.

We are registered with the Federal Inland Revenues Service (FIRS) as well as Nigerian Social Insurance

Trust Fund (NSITF) and Nigerian Pension Commission (PENCOM)

OUR MISSION

To build long term relationships with our customers by providing excellent products and services at all times.

OUR VISION

To be a leader in the area of Electrical, Power and Telecoms Engineering.

OUR VALUES

We are guided by the underlying values of quality work, timely delivery, excellence, integrity and dedication. These values are reflected in all our assignments and deliverables. We cherish all of them equally.

WHAT WE DO

At AAY Engineering Limited we are with you in every step of your Engineering services needs. We recognize that quality delivery transcends aesthetics and may have cascading effect on customers which cannot be quantified. We are, therefore primed to deliver quality service in all areas with solid checks to ensure timely delivery

We offer the following services

1. Site build

Scope

includes

- a. site survey

PROFILE OF KEY STAFF

USMAN ABU B.Eng, MBA, MNSE, MIEEE, COREN: Mr Abu, an alumnus of the prestigious Lagos Business School is the Managing Director and Chief executive officer, He has almost 20 years' experience in the Telecoms

industry spanning RF Planning and optimization, Network Quality/Performance, Fibre and VSAT deployment and Operations as well as Network Deployment. He started his career at Multilinks Telecommunications in 1997. He has also worked at Intercellular from 1997 to 2001 when he moved to Econet Wireless (now Airtel) upon licensing of GSM operators in 1997. He worked at Econet (later Vmobile and Zain) till 2008 and moved to Ericsson Nigeria where he worked till December 2009 , He then moved to Dancom Technologies (a member of the Dangote group) in January 2010 as Network Director where he helped set up the first aerial fibre network in Nigeria. He moved back to Airtel in 2015 and Head, Deployment

VICTOR BRAIMAH: Victor Braimah, an alumnus of the prestigious Lagos Business School is the Deputy Managing Director

He has worked in the media, banking and service industries. Upon graduation from the University of Benin, he joined True Tales publication as sales representative for Hints Magazine. From this position, he went to become a sales executive with the Guardian newspaper having responsibility for selling the pages of the paper for adverts.

It was after time with Guardian that Mr. Braimah had his first entrepreneurial stint when he started BVA Nigeria Limited, a signage company. He left the position to join the banking world as customer service executive when he joined NBM bank in the year 2005. The Bank metamorphosed into Sterling bank after the merger with other banks. Mr. Braimah left Sterling bank before joining Skye Bank heading the Retail credit division. He left the industry in October 2012 to start Sterling Signs Limited before joining AAY Engineering Mr. Victor Braimah is married and has three children.

Chike Okosi: Chike has over 16 years experience in the banking industry. At various times, he served as a Branch Manager at Heritage Bank Plc and as

the head, Fixed Income Securities Trading Desk and Chief Dealer, both at Enterprise Bank Limited (now Heritage Bank Plc). He set up the Bonds trading desk for Enterprise Bank Limited. His experience also includes local currency trader, FX trader and ALM.

He is an alumnus of the University of Nigeria, Nsukka and Lagos Business School (Pan-Atlantic University) where he obtained his BSc degree and MBA degrees respectively. He has attended many local and international courses including Executive Management course at the IESE Business School, University of Navarra, Barcelona, Spain and Fixed Income Securities Trading at the ICAP Training, South Africa.

Shuaib AbdulWahab : A 1997 graduate in Industrial Chemistry from Ambrose Ali University, Ekpoma, Edo State.

He worked at various times with different companies in the telecommunication industry, the provision of telecom infrastructures. Notable among which are WADMUS Engineering Ltd, New Dawn Construction Company Limited, Centu-serve Limited. He has more than 10 years' experience in the telecommunication support companies.
